

# Our Rates & Service Charges

1023 Medical Drive  
Brigham City, UT 84302  
PH: 435-723-3437  
Elevatecu.com

This “Our Rates & Service Charges” disclosure explains current terms, rates and service charges applicable to the savings, checking and certificate accounts we offer. We may offer other rates and require other service charges or amend the rates and service charges, as explained in this disclosure, from time to time. Each owner on an account agrees to the terms described in this disclosure and acknowledges that it is a part of the Member Service Agreement (MSA).

30 months	3.922%	4.00%	\$500.00	\$500.00		
36 months	3.922%	4.00%	\$500.00	\$500.00		

\*One rate bump is allowed during the term of the certificate per member request

## Explanation of Rates & Service Charges

As explained in the MSA, “Our Rates & Service Charges” applies to all the accounts we offer. Except as specifically described, the following terms apply to all of the accounts you have with us.

### 1. Rate Information

The Dividend Rate and Annual Percentage Yield on the accounts are indicated above. The Dividend Rate and Annual Percentage Yield indicated above are the rates and yields for the last dividend period as indicated above. For all accounts except certificates, the Dividend Rate and Annual Percentage Yield may change monthly as determined by the Board of Directors. Money Market accounts are Tiered Rate Accounts. The Dividend Rate for a particular tier will apply to the entire account balance if the account balance is within the balance range for that tier. For Certificate Accounts, the Dividend Rate and Annual Percentage Yield are fixed and will be in effect for the term of the account. For Certificate accounts, the Annual Percentage Yield is based on an assumption that dividends will remain on deposit until maturity. A withdrawal of dividends will reduce earnings.

### 2. Nature of Dividends

Dividends are paid from current income and available earnings after required transfers to reserves at the end of a dividend period.

### 3. Compounding and Crediting

Dividends will be compounded and credited as identified above. For dividend bearing accounts, the Dividend Period begins on the first calendar day of the period and ends on the last calendar day of the period.

### 4. Accrual of Dividends

Dividends will begin to accrue on noncash deposits (e.g., checks) on the business day you make the deposit to an account you have with us. If you terminate the account before accrued dividends are credited, accrued dividends will not be paid.

### 5. Balance Information

The minimum balance required to start each account and earn the stated Annual Percentage Yield is indicated above. If you do not maintain the minimum balance, you will not earn the stated Annual Percentage Yield. For all dividend bearing accounts, dividends are calculated by using the Daily Balance method, which applies a daily periodic rate to the balance in the account each day.

### 6. Account Limitations

- For a Save the Change account, upon enrollment debit card purchases will be rounded up to the nearest dollar and the difference will be transferred to the Save the Change account. If there are not sufficient funds available in checking, or if any transaction has overdrawn the checking account, the daily purchases will not be rounded up and there will be no transfer to the Save the Change account. When a Save the Change account reaches a balance of \$250 the funds will be transferred to a Regular Savings account.
- Second Chance Accounts are not eligible for Courtesy Pay and may not be eligible for Bill Pay or Mobile Deposits.

### 7. Certificate Account Features

#### a. Account Limitations

After the account is started, you may not make additional deposits to a Certificate account, except for Starter Certificates, Fluid Certificates and 9-month Growth Certificates.

For Starter Certificates, you must auto-transfer at least \$25.00 per month from another account you have with us. When the account balance reaches \$500.00, the funds in the account will be transferred to a regular one-year Certificate account. If you withdraw funds before the balance reaches \$500.00, a \$10 service charge will be assessed.

For 9-month Growth Certificates, you must auto-transfer at least \$25.00 per month from another account you have with us. You may also make additional deposits. If you withdraw funds before the maturity date, the certificate will be terminated, and the early withdrawal penalty below will be assessed.

For Fluid Certificates, you may make one withdrawal per month, as long as the minimum balance requirement is met.

#### b. Maturity

The Certificate Account you have with us will mature on the maturity date identified on your Account Receipt or Renewal Notice.

#### c. Early Withdrawal Penalty

We may impose a penalty if you withdraw any of the principal of the Certificate Account before the maturity date.

**1) Amount of Penalty.** For certificate terms of 12 months or less, the amount of the early withdrawal penalty is 60 days dividends on the amount withdrawn. For certificate terms of more than 12 months, the amount of the early withdrawal penalty is 180 days dividends calculated on the amount withdrawn.

**2) How the Penalty Works.** The penalty is calculated as a forfeiture of part of the dividends that have been earned at the nominal dividend rate on the account.

**3) Exceptions to Early Withdrawal Penalties.** At our option, we may pay the account before maturity without imposing an early withdrawal penalty under the following circumstances: when an account owner dies or is determined legally incompetent by a court or other body of competent jurisdiction.

#### d. Renewal Policy

Certificate Accounts are automatically renewable accounts. Automatically renewable accounts will renew for another term upon maturity. You have a grace period of ten (10) days after maturity in which to withdraw funds in the account without being charged an early withdrawal penalty.

#### e. Nontransferable/Nonnegotiable

The account(s) you have with us is/are nontransferable and nonnegotiable. This means that an account and the funds in the account may not be pledged to secure any obligation of an owner, except obligations with the Credit Union.

## Our Service Charges

Rev. 05-01-2024
